Academy Uniform Policy

Introduction

Students' dress is an important aspect in reflecting our ethos of high standards of work and behaviour. Our distinctive uniform aims to give a corporate and shared appearance for students and sets the scene for a business-like approach to the academy day. We are proud of our students, their behaviour and appearance, both in and out of the academy and they are a credit to us.

Our uniform is not gender specific. That means that these rules apply to all students equally.

We request that parents and carers support our Uniform Policy by ensuring that their child/children are appropriately dressed and support the Academy in the use of sanctions for non-compliance. **Compliance with the Academy's Uniform Policy forms part of the Home and Academy Agreement as part of the admission process.**

The Academy, with the support of Friends of Hatton Academy, hosts a Nearly New Uniform Pop In Shop to enable families to purchase pre-loved items of uniform. Parents and carers who have any financial difficulty in providing the required uniform please contact your child's Head of Year.

Although the requirements of students' dress are set out as clearly as possible in this policy, occasionally anomalies occur. **If you require any clarification regarding what is or is not acceptable, please contact your child's Head of Year. If in doubt, please consult us before purchasing items.** In all cases, the Co-Principals' decision about what constitutes acceptable uniform is final.

Requirements Year 7 – 11

Underlined items should be purchased via the [Academy website](#); all other items to be purchased outside the Academy.

- Academy blazer with embroidered Academy crest. Student should enter the academy site with their blazer on. Student are required to have their blazer on as they enter every lesson. Students may remove blazers during social times and can ask for permission to remove their blazer in the lesson during hot weather.
- Academy clip-on tie with house colour and Academy crest
- Plain white shirt with stiff collar buttoned to the neck
- Black academy jumper (optional)
- Black smart, straight (including pencil) or A-line skirt that is on or below the knee in length. A minority of students sometimes choose to adjust their skirts that would otherwise meet this policy to wear them above the knee. Students must adjust their skirts to be at least knee length at all times. If wearing skirts of a material that ride up when sitting down students must take responsibility for adjusting their skirt to at least knee length as they stand. If students choose to wear skirts above knee length at any point during the day, even if the skirt can be adjusted when requested, a sanction will be imposed for not being Dressed for Excellence. Students who feel that they are unable to take responsibility for adjusting their skirt are recommended to wear trousers instead.
- Black smart and tailored full length trousers.
- Plain black socks (below the knee)

- Plain black tights
- Formal black polish-able shoes or ankle boots. Boots may not extend above the ankle and must not have steel toe-caps.
- Fake/acrylic nails are not permitted.

Please note: Shirts must be tucked in at all times. Trousers and skirts should not be tight fitting or of denim/jersey/lycra material.

Physical Education Kit

- Blue polo shirt with emblem
- Black shorts with emblem
- Black sports jumper with emblem (optional)
- Black tracksuit bottoms (optional)
- Trainers or appropriate footwear such as football boots (not pumps or canvas shoes)
- Plain black leggings may be worn under the Academy issued black shorts with emblem – leggings may not be worn instead of Academy shorts

Please note: all students must remove all items of jewellery during P.E, Dance and Sport-related Enrichment lessons. The Academy takes no responsibility for accidents or injuries that occur during PE where items of jewellery have not been removed. The PE department take no responsibility for lost or misplaced jewellery, the changing rooms are locked during lessons and no students are left unattended in them.

If a student refuses to remove their jewellery or does not cover it up with their own tape, forgets P.E kit/ does not have correct kit then this will be sanctioned as a 'refusal to follow instruction'. In the first instance the student will be given a warning, and in subsequent instances a Reflection will be set. This system will reset after each long term.

If a student is injured or too ill to take part in a P.E, Dance or Sport-related Enrichment lesson we will require a note which is signed and dated by a parent/carer for each missed lesson (unless it is a long-term reason that has been agreed with the academy's medical team). A student is still required to bring P.E kit and get changed for the lesson so they are able to take part in a leadership role.

Coats

Coats and jackets must be one colour and any branding must be kept to a minimum. We recommend that coats and jackets are weatherproof and keep students protected in times of adverse weather.

Please note: suede jackets, denim jackets, leather jackets, hoodies, tracksuit tops and sports jumpers are not permitted.

Jewellery

Students are permitted to wear following items of jewellery:

- Two small studs may be worn in each ear
- One nose stud may be worn
- Hoop earrings (of any size) and dangly earrings are not permitted.
- One necklace may be worn however it must be kept inside the shirt collar and must not be visible
- One small ring may be worn on each hand
- One watch and one bracelet may be worn

All items of jewellery must be removed for P.E, Dance and Sport-related Enrichment lessons.

All other visible piercings must be removed. Where excessive jewellery is worn, students will be expected to remove it and can expect to receive a sanction from our Behaviour for Life policy. These items of jewellery will be held at main reception for students to collect at the end of the Academy day.

The Academy recommends that parents/carers do not permit their child/children to wear expensive, valuable or sentimental items of jewellery in school. The Academy will not be held responsible for loss of any personal items on Academy premises.

Accessories

In cold weather, scarves, gloves and hats may be worn **outside** of Academy buildings and in hot weather, caps may be worn outside of Academy buildings. All items must be **plain and neutral in colour and branding should be kept to a minimum.**

Only Academy issued badges are permitted to be worn on items of uniform. Any badges worn that have not been issued by the Academy will be confiscated and held at Main Reception for students to collect at the end of the day.

Hair & Make-Up

Hair must be cut in a formal style. If hair is coloured, only natural colours should be used. No tramlines or patterns should be shaved into hair/eyebrows. As a general guide, hair styles should be as natural as possible. If you are unsure if a particular hairstyle will be permitted by the Academy, please contact your child's Head of Year prior to the restyling taking place. Long hair must be tied back for practical lessons. Hair accessories (including hair bobbles and hair bands) should be **plain and discreet.**

Make-up may be worn; however, it should be kept to a minimum and the effect created must be as 'natural' as possible. Students wearing make-up that does not create a 'natural' look may be asked to remove all make up with wipes provided.

Nails must be kept to a reasonable length to allow effective, safe participation in PE and practical subjects. False/acrylic nails are therefore not permitted. Students are permitted to paint their nails however neon colours are not permitted.

Our academy champions the right of students with Afro-textured hair to embrace all Afro-hairstyles. We acknowledge that Afro-textured hair is an important part of our Black students' racial, ethnic and cultural identities, and requires specific styling for hair health and maintenance.

We celebrate Afro-textured hair worn in all styles including, but not limited to: afros, locs, twists, braids, cornrows, fades, hair straightened through the application of heat or chemicals, weaves, wigs, headscarves, and wraps. Please note that the hair styles selected should meet the other elements of our hair policy (i.e. natural colours should be used, no use of tramlines etc) and hair must also be tied up for health and safety reasons: such as during PE lessons and sporting activities; when in science labs or

design and technology lessons; and to avoid trip hazards: students should follow staff instructions on when this is required.

Any head coverings worn for Afro-textured hair should be for the purpose of protecting/maintaining the style selected. They should be plain black in colour (without patterns, logos or branding), and be fitted (tight to the hairstyle/head). Any additional material (such as the tail of a durag) should be as short as possible and tucked in (e.g. to the shirt collar). If you are unsure as to whether a particular style of head-covering is policy-compliant we recommend that you seek permission from the Co-Principals before purchasing or wearing it: the final decision on whether a head-covering is compliant with our policy rests with the Co-Principals.

Tattoos

Under the Tattooing of Minors Act 1969, it is a criminal offence to tattoo anyone under the age of 18 years. With this in mind the academy does not expect pupils to have any tattoos. In a situation where a pupil does have a tattoo they will be asked to cover it.

Religious headwear should be black and no longer than shoulder length, and must not obscure the face. Requests for other religious dress not covered in this policy should be made to the Governing Body in writing for consideration, with reasons given.

If concerns need resolving on the day we may contact parents/carers and ask that they bring in an alternative item of clothing to replace one that does not meet our policy. If students refuse to comply with this policy or do not meet its expectations the students should expect that the sanctions outlined for main school (see above under compliance) are used.
