25th March 2024

Dear Parents and Carers,

Year 11 Intervention Day – Monday 15th April

We hope this letter finds you well. As we approach the crucial exam period, we are writing to inform you of an additional intervention day on Monday 15th of April (Teacher Training Day). This session is designed to provide additional support and guidance to ensure students are fully prepared and equipped for their upcoming exams.

Date: Monday 15th April 2024

Time: 9:30-15:00 (Lunch 13:00-13:30)

During this intervention session, our experienced teachers will be focusing on key subject areas, providing targeted assistance, revision tips, and exam techniques. We believe that this additional support will greatly benefit your child in their exam preparation and contribute to their overall success.

Student attendance during this day is extremely important, and we request your support in ensuring their participation. We understand the significance of these exams in shaping your child's future, and we are committed to providing them with the best possible support and resources.

Students attending the day are not expected to wear school uniform and will be allowed to leave site during their lunch break (the Academy's usual food service will not be available on this day).

Half Term Revision Programme

During half term, we will be running a revision programme where there will be a series of revision classes being offered to Year 11 students to support them with their GCSE preparations. We strongly recommend Year 11 students attend these sessions as they are a great way to continue their revision and maintain momentum.

Please find the schedule for half term below. The subject teachers will be communicating directly with students to recommend which sessions in particular they should attend.
