22/10/24 - Y9/10 CCF Duxford
24/10/24 - Y12/13 DEI Conference

MESSAGE TO PARENTS & CARERS

We are delighted with how the new term has started and incredibly proud of how well our students have settled back into the school routine. Their determination, responsibility and commitment towards their studies has been commendable.

Students have been embracing their learning and meeting the high expectations we have set for them, demonstrating their resilience.

Now that we have settled in to our routines, we are excited to look ahead to the many opportunities awaiting our students beyond the classroom. Staff are preparing for our numerous house competitions and school-wide events, which are always a highlight of our school year. These activities foster a strong sense of community and teamwork which is something that we are passionate about.

Thank you for your continued support in helping make the beginning of the school year such a positive one. We look forward to building on this great start and ensuring all of our students continue to thrive.

Best wishes,
Mr Mitchell & Mr Salisbury

TEXTILES

Our A-Level Textiles students have been working alongside Mrs Grantham in Science, using microscopes to look at the detailed structure of fibres. Students selected fabrics, which they dissected and made their own slides to analyse!

PHYSICS

Our A-Level Physics students have been carrying out practical lessons with springs and pendulums.

ART

The Year 11 and 12 Art students are focused on tackling their coursework.

HOSPITALITY AND CATERING

Year 11's have been making Caribbean toastie cups with avocado, mango and mint. Then end results certainly look mouthwatering!

DRAMA

Year 7 Drama students have been rehearsing using different coloured lighting and the effects these create.

SCIENCE

Our Year 7 students have been learning how to use microscopes this term, using them to view onion cells.

MATHS

The Academy uses 'Sparx Maths' to support students with Maths homework as well as their wider Maths studies. Each time students complete Maths homework they gain Sparx points, and by doing extension work and optional, additional work, they can gain further points. Parents can support by checking homework is completed on-time and to 100%.

The students below have been completing significant extra work outside of lessons which is above and beyond expectations during this academic year.

Jessie Saddington
 Inioluwa Alo
 Martha Booker
 Gidan Sakir
 Kofi Benyade
 Zainab Khanzada
 Kimberly Edirin-Nuabor

HIGHER EDUCATION DAY

As part of our careers provision, our Year 12's recently had the opportunity to take part in a Higher Education Day at the University of Northampton.

The University of Northampton trip on Tuesday was a compelling opportunity to explore the various options of higher education. We were taught about how you can pursue degree apprenticeships, how university life differs at other universities, the way you can claim student finance, and that there are a vast variety of options available to you after A levels. Along with this, we explored the university's newly built campus and accommodation, as well as learn from an existing student as to what you can expect when you join university. It was an excellent experience and I am thankful to the university for this golden opportunity because it helped to open my eyes as to what higher education can offer and how it can help you pursue your future career, whether it be through a conventional degree or an apprenticeship.

Turab-ul Hassan, Year 12

UoN University of Northampton

HATTON DINER

The Academy currently operates with two catering outlets:

- Hatton Diner - located in the Heart of Hatton, which offers a wide range of breakfast, lunch and snack options.
- Breezhill Cafe - which offers a selection of sandwiches, snacks and drinks.

Please find the menus below for information.

of your choice

HOT MEAL OF THE DAY OR MEAL DEAL

Available on free school meal daily allowance.

All allergen information is available in each outlet - just ask a member of staff if you have any questions about allergens in our food. All of our staff are trained to assist with information regarding the food being served in our outlets. Alternatively you can get in touch with our Catering Manager at CateringDepartment@hattonacademy.org.uk. Please note, menus may be subject to change.

FOOD ALLERGIES AND INTOLERANCES

Whilst our dishes are prepared in environments that are not totally free from allergen ingredients, our hygiene practices are designed to reduce the risk of contamination. If there are any concerns regarding the allergens in food, please speak to the catering team who are happy to assist.

We have a number of students and staff at the Academy who have severe allergies to nuts. It is imperative that there is a strict avoidance of this food in order to prevent a life-threatening allergic reaction. We ask that students and staff do not bring nuts to school to support our safe school environment.

THE HATTON HOUSE SYSTEM

WHAT HOUSE IS MY CHILD IN?

In each year group, each house has 2 forms. Your child's form group determines the house that they have allocated. These are detailed in the table below.

We are keen to explore how parents can be involved with the SCHA House System and will be in touch with a survey to get ideas. A typical example could be a termly Parent Quiz Night, or even a 5 a Side Football event in the evenings, Badminton, and many more!

R1 and R5	Equinox
R2 and R6	Luna
R3 and R7	Orion
R4 and R8	Titan
R9 and R10	Mixed*

*Students in tutor groups R9 and R10 are in one of the 4 houses. They can find out and confirm which house they are in via their tutor, or please email abedint@hattonacademy.org.uk

HOUSE EVENTS CALENDAR

Autumn Term 1: September to October Half Term

Week Commencing	Event
Week 4 23.09.2024	Be and Upstander, not a By Stander Poster Competition Y8 Boys Dodgeball

WELFARE SUPPORT @ SCHA

You may not be aware that we have a dedicated welfare team working alongside the wider pastoral team at the Academy. Students are made aware during assemblies of who this team is, what their role is, and how to access them in school. We felt that it was just as important that you, as parents and carers, are also aware of the vital support available to you and how you can access it. Please pick up the phone, drop us an email, or arrange a meeting if you feel that there is anything we should be aware of or can support with.

The welfare team, based in B6 in our Learning Support Zone, is a one-stop-shop for support for our students and their families.

Whether it is mental health concerns, healthy eating worries, difficulties with addiction (including vaping), or worries about community risks we have access to agencies and interventions that can support with this.

For parents and carers struggling with challenging behaviour at home, in need of advice on keeping their children safe, or seeking signposting to support for their own needs we are here for you.

We know that the cost of living is still high and causing difficulties for families. Please note that there is support available for families from the welfare team: we are able to complete a referral for food bank vouchers from the local food bank. Please reach out to us if you require this support.

“PLEASE PICK UP THE PHONE, DROP US AN EMAIL, OR ARRANGE A MEETING IF YOU FEEL THAT THERE IS ANYTHING WE SHOULD BE AWARE OF OR CAN SUPPORT WITH”

WHAT KINDS OF THINGS CAN YOU HELP WITH?

Don't suffer in silence – even if we can't help you directly we are likely to be able to signpost you to an agency that can. Please note that for some concerns that are brought to our attention we have a statutory duty to make a referral to Northamptonshire Children's Trust for additional support:

Students: support, signposting and referrals:

Online safety; mental health; sexual health; sleeping difficulties; LGBTQIA+ support; impacts of parental separation; domestic abuse support; trauma support; bereavement support; protective behaviours; anger management; drug or alcohol use; smoking/vaping; healthy eating; gang involvement; community risk; victims of crime support; support for young carers; advice on healthy living and fitness; and many more.

Parents/carers: support, signposting and referrals:

Food bank vouchers; domestic abuse; online safety advice; adult mental ill-health; adult substance addiction including alcohol; parenting support and advice; managing challenging behaviours at home (including child to parent violence); SEND support and advice (in partnership with the academy's SEND team); support for parenting previously looked after children; victims of crime support; and many more.

External Agency Focus: Service 6

Service 6 is a local charity providing free youth counselling and online safety sessions for our students. Sessions can take place in school or at their premises in Wellingborough. Reach out to the welfare team for more information or to request that we make a referral for your child.

Mr Shackleton is also the Academy's online safety lead who leads on initiatives to keep your children safe online. Look out for the upcoming online safety newsletter or access our online safety page for further information:
